students to take home with them. Homeless and struggling children that receive Friday food bags (which is intended for a weekend) will be the ones that receive the All for One bags. These children try to stretch the Friday food bags throughout the week of Spring break, it is All for One's intention to help ease this burden with a bigger bag of food.

## OneReach

### 59 local homeless were served on March 13th

This is Kenny. He is one of OneReach's regulars that comes down to the Depot every second and fourth Sunday each month. He recently was beaten up and his harmonica was broken. OneReach put their resources together and purchased a new one on his behalf. They can't wait to give this to him in a couple of weeks.
